

WALLENCY  
PRIVACY POLICY  
Last Updated: May 23, 2020

This Privacy Policy (the "Policy") describes how Wallency collect, use and share personal information of consumer users of this website, <https://www.wallency.com> (the "Site").

We collect only information that you give us. For example your email address or your account login

Your data is not used by other companies.

User password is stored hashed by our hashing algorithm.

Our site uses cookies. Cookies are small data files stored on your hard drive by a website. On our site we only use session cookies(which expire once you close your web browser).

Cookies are collected when you toggle on Remember Me checkbox on our login page. Then your login and password are stored properly encrypted in session cookies.
